Profile Summary

Experienced UiPath Developer (RPA Developer) skilled in designing and deploying RPA solutions, streamlining processes, and enhancing efficiency. Proficient in UiPath tools, exception handling, and integrating automation with diverse systems for optimal performance.

Work Experience

Analyst 2 and Software Engineering
DXC Technology

Nov 2021 - Present

- I am currently working as an RPA developer; I have 3 years of experience in UiPath.
- Design, develop, and deploy UiPath automation solutions. Optimize workflows, handle exceptions, and collaborate to streamline business processes.
- In the project, the object repository manages and organizes UI elements for reuse, ensuring efficient updates and consistent automation workflows.
- In the project, Python is used to automate Excel file manipulations such as data extraction, processing, and formatting, while PowerShell handles server logins and command execution for streamlined operations.

Projects

I have developed over 12 projects, ranging from small to large, and I provide support for more than 60 projects in UiPath.

Web Scraping for Product Ratings

I have created a bot to scrape product prices and reviews from e-commerce websites. The data is saved in Excel for market analysis using UiPath, which increased human productivity by 70%.

Invoice Processing Automation

Automated invoice data extraction (vendor name, invoice number, and amount) from emails, PDFs, or Excel, and entry into an ERP system using UiPath which reduced 40% human error intervention.

Automated Legacy application

The project automates a legacy application by logging into the server via PuTTY, executing commands, running test cases in SOAP UI, and clearing logs from the application, streamlining the entire process which increased human productivity by 80%.

Skills

RPA, UiPath, UiPath Studio, Web Scraping, RE Framework, UiPath Orchestrator, Ui Automation, Core Java, Python, C, Oracle Database, SQL Database, HTML5, CSS, JavaScript, Excel, PowerShell, OCR, GIT Version Control

Education

Bankura Unnayani Institute of Engineering
Jun 2017 - Jun 2021

Bachelor of Technology Computer Science and Engineering
GPA 77.01

P.P.D High School
Jan 2015 - Mar 2017

Higher Secondary School
GPA 72.08

Rasulpur High Madrasah
Jan 2014 - Feb 2015

Secondary School
GPA 76.62

Languages

Bengali *(fluent)*, **English** *(fluent)*, **Hindi** *(fluent)*

Awards

H2 FY24 DXC Collaborators Award
Jun 2024
